

# Product Recall

Henkel Canada Corporation has issued a voluntary recall of the products listed below effective January 13, 2021.

Affected products:

1. **LePage® Speed Set Epoxy 25ml**  
Item UPC 061083039110
2. **LePage® Speed Set Professional Epoxy (2 x 118ml)**  
Item UPC 061083003920
3. **LePage® Gel Epoxy 25ml**  
Item UPC 061083003968

The recalled product does not meet the labelling requirements or the child-resistant packaging requirements of the Consumer Chemicals and Containers Regulations, 2001 under the Canada Consumer Product Safety Act. The lack of child-resistant packaging and appropriate labelling information could result in unintentional exposure to the product and lead to serious illness or injury, including death.

**As of January 13, 2021, the company has received no reports of incidents or injuries in Canada.**

## What To Do

- Implement stop sale immediately and remove all inventory from point of sale.
- Dispose of all product in accordance with local municipal hazardous waste requirements.
- Track all product removed from sale and/or that is returned by customers or consumers to your retail location or distribution centers.
- Henkel will issue a credit for this product on submitted tracking reports.
- Share this recall notice with all appropriate dealers if applicable.
- Post the attached Consumer Notice in retail locations as appropriate.

## Product Replacement

- You will be contacted by your Henkel Sales representative to discuss replacement options to reduce the impact to your business.

Canada Consumer Product Safety Act prohibits recalled products from being redistributed, sold or even given away in Canada.

This recall may be monitored for compliance by Health Canada.
